

Community Infill Panel – Membership

Steve Curtis

Steve is the Development and Marketing Manager for the Christenson Group of Companies and has been in the home building industry for over ten years.

Christopher Dulaba

Christopher is a graduate of the University of Waterloo's School of Urban and Regional Planning. He is a professional planner with extensive experience in planning and developing various projects throughout Alberta, British Columbia and Ontario.

Kember Handzic

Kember is a partner at the law firm Emery Jamieson LLP and a long time Edmonton resident. He has lived in different parts of the City, but has set roots in the Strathcona neighbourhood.

Anne Huizinga

Anne is new to Edmonton but not to infill. Enthusiastic, passionate and engaged in community building professionally and as a volunteer with her community league, she strives to help communities consider their potential.

Puneeta McBryan

Puneeta McBryan is a marketing/communications professional in Edmonton. She is an Account Executive at Incite, a local marketing firm, and serves on the board of the Advertising Club of Edmonton.

Community Infill Panel

Carol Moerth

Carol is a lifelong resident of Edmonton mainly in older neighbourhoods. She is passionate about community and works in the field of community engagement.

Sandy Pon

Sandy Pon is a prominent realtor and community leader in Edmonton. A former member for the Infill Collaborative Road Map, Sandy brings experience and insights to the panel.

Maryam Razavy

Maryam Razavy holds a PhD in Sociology from the University of Alberta. She recently was a member of a mentorship program with the City of Edmonton.

Bryan Sandilands

Bryan Sandilands MSc (Econ) is principal of Nudge Consulting, Inc. and a graduate of the London School of Economics. His expertise spans housing, healthcare, and human services. Bryan currently serves as president of the Parkview Community League.

Katie Warwa

Katie is an Intern Architect at local firm Architecture Tkalcic Bengert. She holds a Masters of Architecture from the UBC. Her practice and research has focused on negotiating density, affordability and livability in housing.

Community Infill Panel

Kyle Willes

Kyle is first and foremost a proud husband and father of four, he is an active community member, volunteer and is thrilled to be part of such a great city.
